**PLEASE HELP US TO HELP THOSE WHO ARE GIVING**

***'TOTAL CARE WHEN TIME IS PRECIOUS'***

We are proud to say that over the past five years we have donated £57,000

How can you promote your business to a wide variety of local people and at the same time give valuable assistance to our local Hospice of St Francis?

We all know The Hospice of St Francis needs as much help as we can possibly give, even more so now in these difficult times, can your company help?

The group of people who make up the Dacorum Machinery and Steam Preservation Group decided to form a guaranteed non-profit making company – DMSP Group Ltd and they will be holding the sixth **Annual Steam and Country Fayre** on 28th and 29th July 2012 at Green Croft Farm, Potten End, HP1 2SG. This event is In Aid of the Hospice of St Francis and we are very proud to say that donations have increased each year with 2011 being the best yet with £20,000 donated.

The target for 2012 is to match, or if possible with your help, increase this figure and so we are asking for the support of our local businesses to help make this possible. Those we have already approached are very keen to give their support and have already pledged their help in various ways, some of which are below;

You can promote your business by advertising in the official programme, just call Den Bunker on 01923 266491 or Mobile 07771 518090 with your details or fill in the form below and return it to him at the address given if you would like to advertise with a Full page £100, Half page £50 or Quarter page £25, or you could supply your company banner to go at the ring side only £100 for the week-end.

Maybe you would like to **sponsor a steam engine** for £100 for the week-end **and advertise your business at their show pitch** or perhaps you would like to **sell a selection of your goods from** a 20' frontage pitch, or book a pitch to **advertise your business by talking to the public** for only £40 for the week-end.

Looking forward to hearing from you.
