**So How can you promote your business to a wide section of local people
and at the same time give valuable assistance to our local Hospice**

As we all know The Hospice of St Francis needs as much help as possibly, can your company help?

The group of people who make up the Dacorum Machinery and Steam Preservation Group formed a guaranteed non-profit making company hence the name DMSP Group Ltd.

The Fourteenth year of the **Annual Dacorum Steam and Country Fayre will be on 29th and 30th July 2023, it will be at Greencroft Farm, Potten End, HP1 2SG. This event is held In Aid of the Hospice of St Francis and we are very proud to say the amount donated to the hospice so far is £208,000**

With your help we can add a significant amount to this figure and so we are asking for the support of our local businesses to help make this possible. Any support we receive is always very much appreciated.

Can you help with some specific sponsoring? We would be happy to discuss the various options that would benefit from specific sponsorship.

Maybe you would like promote your business **by Advertising in the Official Programme** with a Full page @ £100, Half page @ £50 or Quarter page @ £25. Or you could **Supply your Company Banner** to go at the ring side, only £100 for the weekend. Would you like to **Sponsor a Steam Engine** for the week-end and for £100 **Advertise your Business with a banner at their Show Pitch for the week-end**, or perhaps you would like to **sell a Selection of your Goods or advertise your business from a market stall/trade stand** for the weekend (various pitch sizes available)

Thank you for taking the time to read, it's very much appreciated.

Best Regards

Claire
